QUESTIONS PARENTS ASK

Education Saving Accounts (ESA) give families the freedom to choose the learning support that works best for their child.

Most K–8 students qualify, and ESA dollars can fully cover BookNook tutoring.

We know parents have questions when starting something new. Here are answers to the most common ones:

» **Do you tutor struggling learners or advanced students too?**

Yes — our lessons meet students where they are, whether they need extra support or more challenge.

» **How do you track my child's progress?**

Tutors use data from each session to monitor growth and adjust instruction as needed.

» **Will I get updates after each session?**

Yes — your parent dashboards update so you always know how your child is doing.

» **Who are the tutors?**

Highly trained educators and mentors who make learning engaging.
