EXPLORING PATHWAYS

About BookNook

BookNook's synchronous online learning platform is designed to help schools implement high-impact tutoring.

Exploring Pathways

Based on Research

Our program supports students to mastery using best practices grounded in the science of reading.

Synchronous

Students work with a tutor or instructor in 1:1 or small-group sessions.

Data-driven

Our platform tracks performance and monitors progress on standards.

It Works

Research indicates students who use BookNook show dramatic growth in reading.

Flexible Implementation

FLEXIBLE IMPLEMENTATION

Delivery Options

“We have adequate time and personnel onsite to support a successful 1:1 or small-group reading initiative.”

In-house Delivery

Utilize your teachers and staff to deliver reading instruction using BookNook’s online platform.

“We need to think outside the box to secure more time and workforce capacity to support our 1:1 or small-group reading efforts.”

Virtual Tutor Service

Utilize our virtual tutors to deliver expert reading instruction using BookNook’s online platform.

FLEXIBLE IMPLEMENTATION

Seamless Experience

Flexible

- » Before, during, and after school or at-home
- » Student-tutor ratio
- » Frequency of sessions
- » Total number of sessions

Scalable

Provision as many students as you need with our virtual tutors

Integrated

Can integrate with Classlink or Clever

Professional Development

PROFESSIONAL DEVELOPMENT

Training + Support

Professional Development

VIRTUAL TUTOR SERVICE
2023 - 2024 SCHOOL YEAR

BookNook provides targeted professional development for schools using our virtual tutor service delivery option. This training aims to optimize student advancement in reading.

TUTORING ORIENTATION LAUNCH

This session aims to equip site designees who will help students sign on to their BookNook Virtual Tutoring sessions.

AUDIENCE: Site Designees + Site Administrators

DELIVERY OPTIONS: Online

SESSION LENGTH: 60 minutes

The purpose of this session is to cover how to start using the BookNook online learning platform and how to find additional support during the implementation cycle.

LEARNING OBJECTIVES:

- Understand why and how BookNook supports reading instruction
- Learn best practices for supporting students receiving BookNook Tutoring
- Discuss plans to implement BookNook with students
- Identify how to access resources and support

BookNook Professional Development

IN-HOUSE DELIVERY | 2023 - 2024 SCHOOL YEAR

BookNook provides targeted professional development sessions for schools using our in-house delivery option. These trainings aim to optimize student advancement in reading.

DELIVERY OPTION: Online **SESSION LENGTH:** 60 minutes

LAUNCH

This session aims to support personnel working with students as guides or tutors.

AUDIENCE: Guides or Tutors + Site Administrators

The purpose of this session is to cover how to start using the BookNook online learning platform and how to find extra support during the implementation cycle.

LEARNING OBJECTIVES:

- Understand why and how BookNook supports reading instruction
- Learn how to use and operate key components of the BookNook platform
- View a demonstration of a BookNook reading session
- Discuss plans to implement BookNook with students
- Identify how to find technical support

ADMIN

This session leads admins and site leaders through the BookNook platform.

AUDIENCE: Site Administrators

The purpose of this session is to help administrators and site leaders understand the BookNook platform and how to support staff with starting a successful program implementation.

LEARNING OBJECTIVES:

- Review BookNook data that school administrators will have access to in the platform
- Understand the BookNook lesson bands and how the program adjusts lessons over time
- Understand the BookNook platform and session components to identify how and when sessions can be delivered to students
- Discuss plans to launch the program and support the implementation of BookNook

STRENGTHENING

This session typically occurs after at least 4-6 weeks of BookNook usage.

AUDIENCE: Guides or Tutors + Site Administrators

The purpose of this session is to support personnel who work with students (guides or tutors) with strategies to strengthen the BookNook Implementation further.

LEARNING OBJECTIVES:

- Reflect and strategize to strengthen routines and procedures before, during, and after a BookNook tutoring session with students
- Review how to preview lessons and discuss lesson types
- Discuss ways to increase student motivation and engagement

Resources

The screenshot displays the 'CUSTOMER TOOLKIT' section of the BookNook website. At the top, an orange header features a white icon of a toolbox and the text 'CUSTOMER TOOLKIT'. Below this, the main heading reads 'Build Your Pathway to Student Success'. A navigation bar includes three dropdown menus for 'Tutoring Delivery Method:', 'Your Role:', and 'Your Journey:', each currently set to 'All'. To the right is a search bar labeled 'Search Resources' with a magnifying glass icon. The main content area presents three guide cards, each with a landscape illustration of a person reading a map. The first card, 'Reviewing Data for Teachers', describes a step-by-step guide for reviewing data. The second, 'Tech Guide for BookNook Tutoring', explains how to prepare devices and students. The third, 'Overview for Educators', provides a guide to small-group reading instruction.

Knowledge Articles

The screenshot shows the 'Browse our knowledge base' page. At the top, it says 'Support hours 8:00 am to 8:00 pm EST'. Below this, there are three main categories: 'I AM AN EDUCATOR OR TEACHER', 'I AM A SCHOOL OR SITE ADMINISTRATOR', and 'I AM A TUTOR'. Each category has a brief description of the user's role and a 'VIEW FAQs' button. Below these, there is a 'PARENT' category with a 'RESOURCES' button. At the bottom, there is a 'How can we help you today?' section with a 'SUBMIT A REQUEST' button and a 'Help' chat icon.
